HAMMAD MALIK

hmd.node@gmail.com   (301) 768-0996   github.com/tomatohammado

As a developer, I am confident that there is a solution to every problem. I proactively improve my creative and collaborative processes, which allows me to contribute my best work consistently. I measure the value of my output and use that information to guide the principles I work and live by.

SKILLS

- HTML / CSS	- Node.js	- Drupal	- Ruby / Rails
- Sass	- MongoDb	- Wordpress	- PostgreSQL
- JavaScript/ jQuery	- React	- Animation (CSS, JS)	- Express
